

Respect

Respect isn't something that is
thrust upon you

Respect is something resulting from
what you say or what you do.

To Esteem, To honor is how it is
defined

To ^{be} Esteemed, To ^{be} honored is in the back of everyone's mind
Respect is something that every player
must want

Respect isn't something that you can
flaunt

Through hard work and pain is how
it is achieved

By cheating and quitting it cannot
be received

~~You~~

When you finally reach this pinnacle
of respect

It's hard to wonder how much more to
expect

When

This feeling you get is simply the
best

It lets you know you worked harder
than the rest.
